2018 Silent/Live Auction Committee
Peterborough Golf and Country Club

Dear Tom Reburn:

On behalf of all the members of Club we want to thank you for your generous donations to the Club for the 2017 Silent/Live Auction as they helped raise over \$26,000.

The Board of the Club has determined that those funds and the funds raised this year will be used to pay for the Walkway Staircase project.

For this year's Auction to be a success we hope that all our members consider making a donation to the auction. As someone whose has donated in the past we hope for your continued support, in making a donation if possible, but also in encouraging other members to make a donation as well as attending and bidding at the Auction. In advance we thank you for your support.

The following individuals are the 2018 Auction committee members: Linda Syberg, Charles Thibault, Diane Gernaey, Joan Stulac, Monty Johnston, Chris Brown, and Ian Parsons.

Thank you again, and we look forward to your continued support.

Sincerely,

2018 Silent/Live Auction Committee
