United Way of Peterborough & District would like to thank your business for its generous support. For 76 years, generous donors like you have supported United Way to move people from poverty to possibility and to build a healthy & strong community where every resident has equal opportunity to create a better life.

How Your United Way Helps:

- **72,489 meals** were provided to ensure affordable and nutritious food is available to alleviate the effects of hunger.
- **6,310 nights of shelter** were provided for people in need of a safe place to stay.
- **3,000 children and youth** were provided with training and learning opportunities necessary to improve their success at school.
- **11,347 people coping with a mental illness** received counselling to increase their skills related to emotional regulation and distress.

As we reflect upon our **75 Years of Caring**, we want to take the opportunity to extend our deep appreciation of your efforts to create lasting change across the City and County of Peterborough. Over the coming year we invite you to join United Way Peterborough in celebrating our shared history of generosity and a future with enduring possibility.

Thank you. Together, we are possibility.
